20 QUESTIONS

A person simply thinks of something and assigns it a category such as animal, plant, or mineral. Everyone else takes turns asking yes/no questions until someone gets it right, or twenty questions have been asked.

I SPY

Someone gets to say "I spy with my little eye something..." and then say whatever color it is. Everyone else takes turns asking yes/no questions until someone figures out what it is. Listed below are some helpful ideas to keep the game fun in the car.

- The 'something seen' must be items within the car.
- The 'something seen' must be items far enough away that they'll be seen for a period of time. Guessers now have a time limit.
- The 'something seen' must be something continually seen, such as corn.
